January 1, 2020	Problem of worldwide immigration by Dr. Steven Granich, Lock Haven University, Pennsylvania, USA
Friday, January 17, 2020	Designing Research and Writing a Research Proposal by Dr. Parveen Ali, Senior Lecturer at the University of Sheffield, UK
Friday, January 17, 2020	Writing for Publication Proposal by Dr. Parveen Ali, Senior Lecturer at the University of Sheffield, UK
Friday, January 18, 2020	Designing Research and Writing a Research Proposal by Dr. Parveen Ali, Senior Lecturer at the University of Sheffield, UK

Participation in workshop/training sessions at University of Vienna, Austria

2013

- From research question to literature- finding and using information resources for PhD project
- Introduction to reference management and knowledge organization: Citavi
- English conversation in the conference context
- Funding possibilities for first stage researchers
- How to approach proposal writing for funding projects
- School and Education Research
- Doctoral Workshop on Mixed Methods Research
- Teaching and Learning
- Special needs and inclusive education

2014

- Expose writing in English- how to write and present a doctoral thesis proposal
- Publication strategies in the academic publish or perish competition
- Writing and publishing a paper in humanities and social sciences
- Academic writing in English
- English pronunciation and typical mistakes
- Conversation in English: conference and meeting situations
- Time and self-management for doctoral candidates
- Educational theories in international and historical comparison

2015

- Introduction to SciVerse Scopus – A multidisciplinary access to knowledge
- Introduction to multidisciplinary database web of science
- Research Methods for Doctoral Candidates

Supervised students' master theses (University of Education, Lahore)

2006

- A Survey of the Effectiveness of Teacher Training Programmes at University of Education
- A study of the Problems faced by Distance Learners of Allama Iqbal Open University
- An Investigation into the problems faced in Teaching of English as Foreign language.
- A Study of Physical Facilities in Science Laboratories of Govt. Secondary Schools
- Identification of the Problems of Low Achievers at Secondary Level
- A Study of the Problems in Teaching of English Composition at Secondary Level
- Preparation and Analysis of Achievement Test of Physics at Secondary Level

2007

- A Study of Factors Affecting Evaluation Standards in Secondary Schools
- A Review of Teachers' Opinion about the Impact of Motivation on Students' Learning
- Perception of Teaching Faculty of the University of Education about Stress and Stress management strategies
- A Study of the Effects of Loneliness upon Personality Development
- The Influence of Democratic Style of Administration upon the Teachers' Performance
- A Review of Teachers' Opinion about Administrative Strategies used in the Public Sector High Schools
- An Analysis of the Availability and Use of Library Services at the University of Education
- The Attitude of the Science Students toward Education Courses included in the Scheme of Studies at University of Education
